HEALTH TECHNOLOGY ASSESSMENT FOR DECISION MAKERS

June 26-28, 2013 • University of Toronto

An intensive course on pragmatic HTA tools for decision makers, industry representatives, and researchers

- Review and appraise clinical evidence
- Assess and interpret cost-effectiveness analyses
- Identify ways to address social and ethical issues through HTA

Registration Deadline: June 14, 2013

Please visit the website for course details:
http://www.theta.utoronto.ca/static/education/?hti
Date & Location
Date: June 26-28, 2013
Time: 9am – 5pm
Location: University of Toronto

Who should take this course?
• Individuals who use HTA to make decisions relating to drugs, devices, and programs
• Decision-makers, practitioners, and researchers who would like to be able to use HTA concepts and methods

Key Features
• Intensive three-day program
• Theory bursts in lecture format to introduce and explain key concepts
• Interactive sessions (small group learning and computer labs) to explore illustrative cases

Accreditation
This event is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification program of The Royal College of Physicians and Surgeons of Canada, approved by the University of Toronto (19.5 credits).
